Our exclusive band consists of two highly professional musicians, offering you a huge variety of music. We specialize in different music styles, ranging from the more sophisticated Jazz & Blues to the totally opposite, Contemporary & Country. It really doesn't matter what the occasion might be, we promise to make your "special time", a memorable experience, by bringing you the music of your choice.

We come from two very similar backgrounds. Ben started playing guitar while he was attending school and became a professional freelance musician for various groups of performers. I started playing piano at the tender age of 6 and also played aboard the International Cruise Liner, Disney Magic, on the Caribbean Islands. About 10 years ago we met each other while attending a function in Port Elizabeth. We then decided to construct our own band, called Take Note and haven't look back ever since!!

Between the two of us, we've got around 50 years experience in catering for various functions, such as Corporate, Private & Public functions, Weddings, Birthdays, Mrs. Port Elizabeth etc.

We both enjoy making music, creating a tranquil environment for the clients/public and we get along with everyone.

If you need to have a quiet evening with your loved-one, or if you want to have a more upbeat event, then all you have to do is give us a call on 072 990 2390. You won't regret it!!!!
